Programme – please tick or highlight the days you'd like to sign up for.  
All events will be run via Zoom.

## SATURDAY 6<sup>th</sup> February 2021

- **Kate Thompson and Harriet Johnson**  
**11 – 12 am plus coffee break chat from 12 to 1 pm.**  
**Vocalises and exercises for building your singing technique - helping to improve and strengthen your voice and performance.**  
Harriet and Kate will lead you through a series of exercises and practice techniques that will help you get the very best out of your voice and overcome any niggles and frustrations you might be facing.
- **Paul Sartin**  
**2 – 3 pm plus coffee break chat from 3 to 4.**  
**The Hampshire Sing**  
Paul will talk us through the history of a Hampshire folk song and we'll compare versions and arrangements before having a go at singing it. It will be taught by ear but lyrics and notation will also be provided.
- **Fay Hield, Bryony Griffith, Paul Sartin and YOU!**  
**8 – 10 pm.**  
**Tutors Concert and Singaround.**  
The finale to our day. Each of the tutors will give us a short set and then it's your turn (if you want to!) to entertain us with a song you'd like to sing.

## SUNDAY 7<sup>th</sup> February 2021

- **Kate Thompson and Harriet Johnson**  
**11 – 12 am plus coffee break chat from 12 to 1 pm.**  
**The Singers' Surgery**  
Your chance to ask Kate and Harriet questions about specific problems you're experiencing. We will invite four or five participants to workshop a section of a song that they are struggling with or would like to improve. More general questions on the voice are more than welcome in the Q&A part of this session. Let us know if you'd like to be a featured participant and what the problem is you'd like to address. We'll choose a range of problems to tackle.  
**Bryony Griffith**  
**2 - 3 pm plus coffee break chat from 3 to 4 pm.**  
**The Yorkshire Sing**  
Bryony will take you through her 4-part arrangements of two local versions of traditional songs from the Holmfirth/Huddersfield area. She will teach by ear but lyrics and notation will also be provided. Parts will be in SATB, so you can choose whichever part suits your range, but feel free to experiment and sing along with any of the parts in the comfort of your own home!
- **Fay Hield, Kate Thompson, Paul Sartin and Bryony Griffith**  
**5 – 6 pm.**  
**Q & A Session.**  
Our tutors will discuss all aspects of folk singing; how to make a song your own, finding material, adjusting tunes to suit your voice, arranging for more than one voice and choir leadership and participation. There will also be a chance to put your own questions to them.
