You will learn exercises and tricks that will help you get the very best out of your voice and overcome any niggles and frustrations you might have been facing with your voice. Ornamentation for everyone
Whether you're an experienced singer or new to it all, Nancy will take you through those subtle embellishments that can make a performance extra special, with demonstrations, examples from some of the best technicians in the business, and plenty of chances to try the techniques yourself.
- **Jess Arrowsmith**

Sheffield Carols
We will work through 2 Sheffield Carols in parts to explore beautiful harmony.

Q & A Session.
Our tutors will discuss how to make a song your own from finding material to adjusting tunes to suit your voice, from ways of giving meaning to a story to performance technique. There will then be a chance to put your question to them.

8 – 10 pm. Price £10
Tutors Concert and Singaround.
The finale to our day. Each of the tutors will give us a short set and then it's your turn (if you want to!) to entertain us with a song you'd like to sing.
